## **EU REACH Regulation-Substance of Very High Concern (SVHC)**

In response to the recent European Union regulation called REACH, **R**egistration, **E**valuation, **A**uthorization, and **R**estriction of **C**hemicals that came into force on 1 June 2007 and with respect to the European Chemicals Agency (ECHA) list of substances of very high concern (SVHC) which was officially released 28 October 2008 and updated on 13 January 2010, 18 June 2010, 15 December 2010, 20 June 2011 and 19 December 2011, Visual Communications Company, Inc. has completed a review of its complete product line and has determined that none of the currently listed SVHC are utilized in the manufacturing process or are contained within its products as of the date first appearing above.

Visual Communications Company, Inc. will continue to monitor the ECHA website for any regular updates and additions to this list. A new certification letter will be posted upon review and confirmation that any additional SVHC which may be added are or are not present in excess of the concentration levels mandated.

Documentation supporting this statement is on file in our home office in Poway, CA.

Please direct REACH questions to [regulatory@vcclite.com](mailto:regulatory@vcclite.com).

Respectfully,

Andrew Zanelli  
CEO
