

Press Release Quick Tips

NEW 3MM 6300T SERIES IS SURFACE MOUNTABLE AND COMPATIBLE WITH AUTOMATED ASSEMBLY EQUIPMENT TO REDUCE ASSEMBLY TIME AND COST

Distribution Date: October 12th, 2016

Product Name: 6300T series

Product Description: 3mm (T1) LED SMD, Circuit Board Indicator, Single level, Right Angle

Key Markets/Applications:

- Industrial
- Infrastructure
- Storage Servers
- Switchers
- Telecommunications
- Medical
- Food Service
- IoT
- Automation & Control

Key Benefits	Product Specifications
<ul style="list-style-type: none">• 3mm LED single level surface mount circuit board indicator offered with black UL 94 V-0 housing that enhances contrast ratio and enables unlimited design opportunities.• The LED is positioned at a right angle and has a diffused round domed lens and is available in a range of colors (red, green, yellow) making it ideal for PCB indicator applications.• The 6300T series is specifically designed for surface mounting and is compatible with automatic placement equipment which reduces assembly time and cost.• Moisture sensitive package in 16mm on 13” diameter reels securing shipping, handling and floor life.	<ul style="list-style-type: none">• Mounting type: single level - surface mount• Single color: Red, Green and Yellow• Bi-color: Red/Green, Yellow/Green• LED: 3mm (T1)• Bulb Size: 0.112” (2.85mm)• Diffused round dome lens• 50 degree viewing angle• 16mm tape on 13” diameter reels• MSL3 moisture sensitive package• Compliant with RoHS and REACH requirements
