

## EU REACH Regulation-Substance of Very High Concern (SVHC)

This statement is made in response to the European Union's regulation for Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) (EC 1907/2006) known as REACH 1, for Registration, Evaluation, Authorization and Restriction of Chemicals and its impact on our manufactured products.

REACH requires suppliers of articles\* to communicate the presence of any REACH Annex XIV is the Candidate List of Substances of Very High Concern (SVHC) that is published by the European Chemicals Agency (ECHA) located at <http://echa.europa.eu/uk/regulations/reach> and is current.

This will certify to the best of our knowledge that: the chemicals List of Substances of Very High Concern referenced above are not intentionally added or present in the product listed above at a concentration of 0.1% by weight or greater and the products described above are not in violation of the conditions of restriction outlined in Annex XVII and subsequent amendments. This declaration also certifies that we agree to notify you of any future SVHC substances or RSL substances that are present in these products at a concentration of 0.1% by weight or greater and/or are in violation of restriction outlined in Annex XVII and subsequent amendments.

Visual Communications Company, LLC (VCC) is aware and in support of the requirements listed under the regulation. As it is in our best interest to comply with the legal and environmental requirements it implies, VCC is on constant review and monitoring of materials for VCC, Leecraft, Littlelite, CML, DDP, LedCo product lines.
